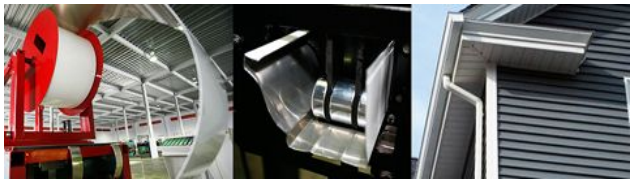
Aluminium Guttering & Roofing Accessories



K-Style Aluminium Guttering, Fittings & Accessories
The K-Style gutter System carries a comprehensive selection of accessorie, with the unique CastleClad® finish, which resists dirt adhesion and is moisture resistant.

Bat Proofing Strips
Dramatically reduce under-sheet roof penetration by insects, bats and rodents.
Available in all profiles (10/3, 107 & Spanish Tile) and Universal Bat Strips, for under-sheet or under ridge cap use, sheet wide.

Sealant Tape
High adhesion double sided tape. When applied appropriately, maintains the integrity of roofing sheet edges, reducing lift due to sustained high winds and undersheet penetration by the elements.

Available in: 3/4" [19mm] wide rolls, 45 feet [13.9m] long.

Roofing Screws
Our roofing screws are made from Carbon Steel giving superior strength. The unique unthreaded upper section of the screw reduces the effects of oxidization on the area not embedded in rafters or purlins.
The washer is made from much more durable rubber than neoprin, reducing early deterioration and breakage.

Available in matching colours or unpainted:
25mm[1"] 14 gauge | 62mm [2.5"] 9 gauge

Ply-foil Roofing Insulation
Ply-foil is a multilayer, reflective insulation, in rolls for use in both speciality and standard construction projects.
Two outer layers of metalized film reflect 96% of radiant heat. Each layer of film is bonded to a tough layer of polyethylene for strength.
The inner layers of bubblepack resist conductive heat flow, while a centre layer of polyethylene gives Ply-Foil additional strength.

Available in: 5' wide rolls, 75' long. (1.5m x 22.5m)

Products of Metal Fabrication

We offer a comprehensive range of high quality fabricated steel products for the construction industry.

Mild & High Tensile Steel Re-bars

Mild Steel Rods	Corrugated Steel Re-bar
0.25" [6mm]	0.375" [10mm]
0.375" [10mm]	0.5" [12mm]
0.5" [12mm]	0.675" [16mm]
0.675" [16mm]	0.75" [19mm]
	1" [25mm]

@ 19'6" [6m] lengths

Welded Mesh

- Specification A 98 16' x 8.5" x 6" square [5mm]
- 4.9m x 216mm x 152mm
- Specification A142 16' x 8.5" x 6" square [6mm]
  4.9m x 216mm x 152mm
  Specification A193 16' x 8.5" x 6" square [7mm]
  4.9m x 216mm x 152mm

Galvanized & Wire Nails

1"| 1.5" | 2" | 2.5" | 3" | 4" | 6"
25,4mm | 38mm | 50,8mm | 63,5mm | 76,2mm | 101,6mm | 152,4mm
All available in Head or Headless configuration

Galvanized Chainlink Fencing Wire

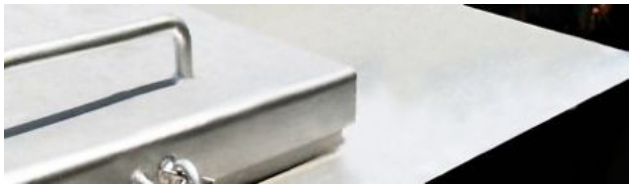
4' [1.2m], 5' [1.5m] & 6'[1.8m wide rolls | 2.65mm gauge | 75' [22.5m] length

Barbed Wire

12.5 gauge - 600' [182m] rolls

Wheelbarrows

- Steel reinforced metal pan - 4 ft^3 [0.11m^3]
- Steel frame



Galvanized Watertanks

200 gallons - 4' x 2' x 4'	900 litres - 122cm x 60.9cm x 122cm
400 gallons - 4' x 4' x 4'	1,800 litres - 122cm x 122cm x 122cm
600 gallons - 4' x 6' x 4'	2,700 litres - 122cm x 182.9cm x 122cm
800 gallons - 4' x 8' x 4'	3,600 litres - 122cm x 244cm x 122cm

or custom built to your specifications

Custom Fabrication

We also undertake other custom metal fabrication. To receive a quotation, please give a description and specifications for the work to be undertaken and use our online contact form at:
